

Success Academy ***Dynamic Training Program***

The Benefits of Your Dynamic Training Program

Live Monthly Webinars

Included with your membership are the “How To’s” of a successful business. Delivered once a month, these webinars will give you the information you need to take your business to the next level. Plus, all of the webinars are recorded and available for you to re-visit as many times as you like.

Save 10% on Training at Your Location

Success Academy can deliver customized technical and communication training, as well as one-on-one coaching for your business and deliver that training to your door. Now, as a member of the Dynamic Training Program, you can save enough in just one on-site visit to cover your investment for the entire year!

Company Assessment

Sometimes it’s hard to know what training needs to be done. As a member of the Dynamic Training Program, you will receive one-on-one assistance in creating a training plan to help your company succeed.

Save 15% on Classroom Training

Success Academy is the premier training company in our industry, training more million dollar producers than anyone else. Not only do you get the benefit of the industry’s premier training organization, but you get that benefit at a 15% savings!

Save 25% Success Academy DVD Training

Success Academy DVD Training Series let you learn from the best and most successful people in the industry. Owning a DVD series gives you strategies and advice that you can use time and time again. As a member of the Dynamic Training Program, you enjoy this exclusive information while saving 25% off the regular investment.

5 Times Return on Investment Guarantee

We guarantee that if you follow the training plan and do not increase your revenue by at least five times your Dynamic Training Program investment, we will refund your investment for that year!

*You receive all these benefits and the peace of mind that comes from knowing you have a guaranteed return on your investment for only \$100 per month!
Or, you can arrange for the entire year and save an additional \$120!*

The 5 Time Return on Investment Guarantee

Success Academy warrants that enrolled companies will recognize an increase in revenue equal to five (5) times their Dynamic Personal Training Program investment for the twelve (12) calendar month period following their enrollment date as compared to the twelve (12) month period prior to their enrollment date; The enrolled company must provide Success Academy with their revenue generated during the twelve (12) calendar months prior to enrollment in the program, excluding revenues generated through new construction or other activities not included with their affinity group membership, and complete the training recommendations mapped out during their company's assessment for the warranty to be in effect. The Dynamic Personal Training Program investment is defined as the monthly or yearly fee collected to be enrolled in the program. It DOES NOT include any registration fees for classes attended under the program. Should the enrolled member not experience a revenue increase equal to five (5) times their Dynamic Personal Training Program investment, Success Academy, at the member's request, will refund Dynamic Personal Training Program investment for that twelve (12) month period.

You choose the investment that's right for you.
